## Terms and Conditions of Sale

All previous issues are cancelled.

**General** The “Seller” means Novar ED&S Limited. The “Buyer” means the person, firm or company to whom the Seller supplies the Goods. All quotations are given and all orders are accepted on these terms, replace and supersede any other terms wherever appearing, and override and exclude any other terms stipulated or incorporated or referred to by the Buyer, whether in the order or in any negotiations, and any course of dealing established between the Seller, and the Buyer. All orders hereafter made by the Buyer shall be deemed to be made subject to these terms. Prior to placing its first order with Seller, Buyer must open an account with Seller and, on request from Buyer, Seller will send to Buyer the required forms for completion

**Acceptance of Orders** No contract for the sale of goods (“the Goods”) shall be concluded until either the Seller sends or otherwise communicates to the Buyer its acceptance of the Buyer’s order or on the delivery to the Buyer of the Goods, whichever is the earlier. The Buyer acknowledges that there are no representations outside these terms that have induced the Buyer to enter into the contract (which expression shall include any contract of which these terms form part) and save as provided herein, these terms shall constitute the entire understanding between the parties for the sale of the Goods. No modification of these terms shall be effective unless made by an express written agreement between the parties. The signing by the Seller of any of the Buyer’s documentation shall not imply any modification of these terms.

**Illustrations, Descriptive Matter and Dimensions** All descriptions and illustrations contained in catalogues, price lists and advertisements or otherwise communicated to the Buyer are intended merely to present a general idea of the Goods described therein, and nothing contained in any of them shall form any part of the contract.

**Designs** The Seller’s policy is one of continuous improvement. The right to change designs at any time without notice is reserved. Samples Notwithstanding that a sample of the Goods may have been exhibited to and inspected by the Buyer, it is hereby agreed that such sample was so exhibited and inspected solely to enable the Buyer to judge for himself the quality of the bulk and not so as to constitute a sale by sample. The Buyer shall take the Goods at his own risk as to their corresponding with the said sample or as to their quality condition or sufficiency for any purpose.

**Prices** Seller may change the prices of all goods at its sole discretion and without any notice, with the exception that any Seller's quotation is firm only if Buyer enters an order within the time specified on the quote or, if none be mentioned, 30 days. Buyer must request shipment of the entire quantity of goods ordered within 12 months from date of order, otherwise, Seller standard prices at time of shipment may, at Seller’s option, apply to those quantities delivered, even if already invoiced. Unless specifically stated, prices do not include design, installation, start-up, commissioning or maintenance. All tooling, designs, drawings, and other intellectual property produced or delivered hereunder are owned by Seller. If, at any time, Seller’s costs of materials have increased by 5% or more, then Seller may increase the price on all affected goods accordingly with respect to existing and future Seller quotations and/or Buyer purchase orders.

**Delivery** All delivery dates are estimates only and the time of delivery shall not be of the essence of the contract. In no circumstances shall the Seller be liable to compensate the Buyer in damages or otherwise for non-delivery or late delivery of the Goods or any of them for whatever reason or for any loss consequential or otherwise arising there from. The Seller reserves the right to make partial deliveries and to allocate available supplies amongst customers in time of shortage. The Seller shall be entitled to deliver the Goods in one or more consignments unless otherwise expressly agreed. All delivery dates are estimates unless agreed otherwise by Seller in writing. Delivery terms for goods are EXWORKS (Incoterms 2010) Seller's facility with all risk of loss or damage to goods passing to Buyer upon delivery to carrier. Within 30 days of delivery, any claim for shortage must be reported in writing to Seller, otherwise all goods will be deemed delivered and accepted. Buyer shall be liable for any delays or increased costs incurred by Seller caused by or related to Buyer's acts or omissions. Title to the goods shall pass to Buyer when it has paid the full price for the goods. Until title in the goods passes to Buyer, Buyer shall hold the goods in a fiduciary capacity and shall (i) keep the goods separate from those of Buyer and third parties and (ii) properly stored, protected, insured and identified as the Seller's property. If Buyer re-sells or uses the goods in which title remains with Seller it shall be liable to account to Seller for the proceeds of sale or otherwise of such goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any monies or property of Buyer and third parties and, in the case of tangible proceeds, properly stored, protected and insured. Until title in the goods passes to Buyer and provided that the goods are still in existence and have not been re-sold, Seller shall be entitled at any time to require Buyer to deliver up the goods to Seller. Buyer irrevocably authorizes Seller, its agents and employees to enter upon any premises where the goods are stored in order to inspect the goods or to recover them. Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the goods which remain the property of Seller, but if Buyer does so all monies owing by Buyer to Seller shall (without prejudice to any right or remedy of Seller) forthwith become due and payable.

**Carriage and Packing** Packing materials are in most instances non-returnable. The Seller will pay packing and carriage on all orders having a nett value of £250 (exc.VAT) or over and the Goods will be consigned by carrier at goods rate. Orders instructing despatch by other means will be subject to a packing and carriage charge to cover additional cost. Orders of less than £250 (exc.VAT) nett value will be consigned by parcel post up to 5kg in weight, otherwise goods will be consigned by carrier at goods rate. A packing and carriage charge will be made for all such orders at the rate of £50 (exc.VAT).

**Instructions and Labels** The Buyer shall ensure that labels, names, reference numbers and marks on the Goods and packing materials and cases are not removed altered or covered whilst the Goods are in his possession and shall not remove any label or plaque affixed to the Goods referring any user thereof to the Seller's or any other party's instructions and/or recommendations for use. If any item comprised in the Goods is resold by the Buyer the Buyer shall bring to the attention of his purchaser all instructions and/ or recommendations for use packed with the Goods or which the Seller has otherwise notified to the Buyer.

**Damage or Loss in Transit** When the price quoted includes delivery, the Seller shall repair or replace free of charge goods damaged in transit or not delivered in accordance with the advice note, provided that in the event of damage or shortage, written notification giving details of such damage or shortage must be sent to the Seller within 7 days of receipt, and in the event of non-delivery must be sent to the Seller within 14 days of the date shown on the advice note. Order number, advice note and date of despatch are required, and in the event of failure to give notice within the aforementioned period, the Goods will be deemed to be in all respects as invoiced.

**Returns** Goods supplied in accordance with the Buyer's orders cannot be accepted for return without the Seller's written consent. If such consent is given an administration charge will be made. Returned Goods must be sent carriage free and at the Buyer's risk and will only be accepted if packed in the

original carton which in the Seller's opinion is in a saleable condition. Only Goods of current design will be accepted for return.

**Warranty** The following is in lieu of all other warranties and conditions, express or implied including those of satisfactory quality and fitness for particular purpose.

Except as otherwise expressly provided herein, Seller warrants goods of its manufacture in all material respects to be free of defective materials and faulty workmanship and as conforming to applicable specifications and/or drawings. Seller may, without notice to Buyer, incorporate changes to goods that do not alter form, fit, or function. Commencing with Seller's date of shipment, Seller's warranty shall run for the period of 12 months. Non-complying goods returned transportation prepaid to Seller will be repaired or replaced, at Seller's option, and return-shipped lowest cost, transportation prepaid. No goods will be accepted for return without an authorization number obtained in advance of shipment to Seller. Goods subject to wear and tear or burnout through usage shall not be deemed defective because of such wear and tear or burnout. No warranty shall apply if, in the sole opinion of Seller, the defect or damage was caused by or related to installation, combination with other parts and/or products, modification to or repair of any goods other than by Seller, the Buyer's failure to use a software version which is not the latest software version made available by Seller or to apply required or recommended updates or patches to any other software or device in the goods network environment, or resulted from Buyer's acts, omissions, misuse, or negligence. Repaired or replaced goods shall be warranted for the remainder of the unused warranty term or for 90 days from shipment, whichever is longer. Experimental goods (which may be designated by the letter "X" or "E" beginning their part number identification) or unreleased or beta software are prototype, pre- production items that have yet to complete all phases of release testing; these goods are sold "AS IS" WITH NO WARRANTY. Software, if listed on the purchase order and/or quotation and/or used within goods warranted by Seller, will be furnished on a medium that's free of defect in materials or workmanship under normal use for so long as the hardware and/or system is under warranty. During this period, Seller will replace without charge any such medium it finds defective. As for the quality or performance of any software or data, they are supplied "AS IS" WITH NO WARRANTY. Where hardware and/or a system is installed by Seller, such installation is warranted against faulty workmanship for the same period (if any) as applies to the installed items. During this concurrently running period, Seller will correct without charge any workmanship it finds to be faulty.

If Seller provides any services to the Buyer, including but not limited to training or assistance with configuration and installation of the goods, Seller shall provide such services in accordance with normal industry practice at such rates as may be specified by Seller in its price list from time to time. Seller accepts no liability to the Buyer arising out of the provision of such services. Seller does not represent or warrant that the goods may not be compromised or circumvented or that the goods will prevent any personal injury or property loss, burglary, robbery, fire or otherwise, or that the goods will in all cases provide adequate warning or protection. Buyer understands that a properly installed and maintained alarm may only reduce the risk of burglary, robbery, fire or other events occurring without providing an alarm, but it is not an insurance or guarantee that such will not occur or that there will be no personal injury or property loss as a result.

These warranties are for the benefit of the Buyer only and are not assignable or transferable.

**Payments** For UK and Republic of Ireland sales, payment is due before the end of the month following despatch. Value Added Tax for UK sales is payable and is calculated on the cash discounted value of each invoice. (d) appointment of a receiver of any asset of the Buyer, or the levying of any distress or execution on any asset of the Buyer. The failure of the Buyer to pay any part of the price of the Goods in due time shall, at Seller's discretion, give rise to: (a) The immediate suspension of all pending deliveries, without any prior written notice being necessary ; (b) The immediate obligation to pay all sums that are outstanding, regardless of the agreed method of payment (such as by bill of exchange), without any prior written notice being necessary ; (c) The application of a late payment penalty, without any prior written notice being necessary to Buyer, equal to 2% per month above the National Bank of Romania base rate applicable at the time (or maximum rate allowed by law); (d) The application of a late payment penalty, after prior written notice to Buyer, equal to 1.5 times the legal interest rate, calculated by taking into account the number of days between the due date for payment and the date of the effective payment. The legal interest rate shall be that of the last day of the month preceding the issuance of the invoice; (e) The invoicing, as liquidated damages and without any prior written notice being necessary, of a sum equal to 20% of the total amount (exclusive of VAT) of the unpaid invoice.

**Liability** These terms set out the Seller's entire liability in respect of the Goods and the Seller's liability under these terms shall be in lieu and to the exclusion of all other warranties, conditions, terms and liabilities expressed or implied statutory or otherwise in respect of the quality or the fitness for any particular purpose of the Goods or otherwise (notwithstanding any advice or representation to the Buyer, all liability in respect of which howsoever arising, is expressly excluded) except any implied by law which by law cannot be excluded. Save as provided in these terms and except as aforesaid the Seller shall not be under any liability, whether in contract, tort (including negligence) or otherwise, in respect of defects in the Goods or failure to correspond to specification or sample or for any injury, damage or loss resulting from such defects or failure or from any work done in connection therewith. In any event the Seller's liability (if any) whether in contract, tort or otherwise in respect of any defect in the Goods, or for any breach of this Agreement or of any duty owed to the Buyer in connection herewith, shall be further limited in the aggregate to the price of the Goods in question. Nothing in these terms shall restrict the Seller's liability for death or personal injury caused by the Seller's negligence.

**Indemnity** The Buyer shall indemnify the Seller in respect of all damage injury or loss occurring to any person or property and against all actions, suits, claims, demands, charges or expenses in connection therewith arising from the condition or use of the Goods in the event and to the extent that the damage injury or loss shall have been occasioned partly or wholly by the carelessness of the Buyer and his servants or agents or by any breach by the Buyer of its obligations to the Seller hereunder.

**Software** Software, if listed on the purchase order and/or installed on a good purchased by Buyer, is governed by the following terms unless a software license agreement is included with such software. The whole of the price shall not be treated as paid until any cheque, bill of exchange or other instrument of payment given by the Buyer has been met on presentation or otherwise honoured in accordance with its terms. The Seller may sue for the whole of the price at any time after it has become payable. Until such time as the property in the Goods passes to the Buyer, the Buyer shall hold the Goods on a fiduciary basis as bailee of the Seller and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected, insured and identified as the Seller's property, but the Buyer shall be entitled to resell and use the Goods in the ordinary course of its business for the account of the Seller.
